

About Us

Welcome to **UBTECH INCUBATION**, your trusted partner in academic excellence and innovation. We specialize in providing comprehensive support for PhD candidates, researchers, and students across various engineering and scientific disciplines. Our services are meticulously designed to cater to your research needs, from paper writing and journal publication to industrial internships and patent filing. At **UBTECH INCUBATION**, we believe in empowering our clients with the knowledge and resources necessary to achieve their academic and professional goals.

Aim

Our aim is to be the cornerstone of your academic and research journey. We strive to provide unparalleled support and resources to ensure that your research projects, publications, and academic pursuits are of the highest quality. We are dedicated to helping you navigate the complexities of academic research and achieve excellence in your endeavors.

Vision

Our vision is to create a global community of scholars, researchers, and professionals who are equipped with the knowledge, skills, and resources to make a significant impact in their respective fields. We aspire to be the leading provider of academic and research services, known for our commitment to quality, integrity, and innovation.

Goal

Our goal is to empower our clients with the tools and expertise necessary to excel in their academic and professional pursuits. We aim to:

- Facilitate high-quality research and publication in prestigious journals.
- Provide comprehensive support for PhD and MTech candidates.
- Bridge the gap between academia and industry through internships and industrial visits.
- Foster innovation and intellectual property development through patent support.
- Promote academic integrity and originality through advanced plagiarism checking.

At **UBTECH INCUBATION**, we are passionate about your success and dedicated to helping you achieve your academic and professional goals with confidence and distinction.

COMPANY INFO

Welcome to UBTECH INCUBATION, a pioneering force in academic and research services, dedicated to bridging the gap between academia and industry. Founded by Tejas Shingvi and Manisha Shingvi, our journey began in 2017 and we officially registered in 2018. With a steadfast commitment to quality and innovation, we have established ourselves as leaders in providing exceptional support across various fields including Computer Science, IT, Mechanical, Civil, Automation, ENTC, and Electrical engineering.

At UBTECH INCUBATION, our mission is to foster a collaborative and innovative environment that nurtures intellectual growth and professional development. Our team is comprised of experienced professionals, academicians, and industry experts, all dedicated to delivering personalized and high-quality services. We offer comprehensive assistance for PhD candidates, ensuring they receive the guidance and resources needed to excel in their research endeavors.

Our services extend beyond academia to include groundbreaking custom software solutions. We have successfully assisted companies in accelerating the development of mobile and web-based applications, leveraging cloud and on-premise integration, data analytics, and business intelligence software deployment. Our clients trust us to deliver cutting-edge solutions that drive efficiency and innovation.

Whether you are a student seeking research support or a business looking for advanced software solutions, UBTECH INCUBATION is your trusted partner in achieving excellence. Join us as we continue to push the boundaries of knowledge and technology, creating a brighter future for all.
